A SON'S OPEN LETTER TO HIS FATHER

Dear Dad,

There are so many things I'd like to tell you face to face. I either lack the words or fail to find the time or place. But in this special letter, Dad, you'll find, at least in part, the feelings that the passing years have left in my heart. The memories of childhood days and all that you have done to make our home a happy place and growing up such fun.

I can still recall the walks we took, the games we played; those confidential chats we had while resting in the shade. This letter comes to thank you Dad, for needed words of praise; the counsel and the guidance, too, that shaped my growing-up days. No words of mine can tell you, Dad, the things I really feel; but you must know my love for you is lasting, warm, and real.

You made my world a better place and, through the coming years, I'll keep these precious memories as cherished souvenirs.

Your Son

Children, obey your parents in all things: for this is well pleasing unto the Lord. Fathers, provoke not your children to anger, lest they be discouraged (Colossians 3:20-21).

1ST ANNUAL DEGAULLE DRIVE CHURCH OF CHRIST

FAMILY RETREAT!

AUGUST 4TH-6TH
Fontainebleau State Park.

This Family Retreat is free of charge & is open to all members of the DeGaulle Drive Church of Christ.

Please plan to be part of this wonderful weekend of fellowship.

WILL YOU BE THERE?

TAKE A MOMENT & LISTEN

Denis Waitley

Take a moment to listen today
To what your children are trying to say;
Listen today, whatever you do
Or they won't be there to listen to you.

Listen to their problems, listen for their needs
Praise their smallest triumphs, praise their smartest deeds;
Tolerate their chatter, amplify their laughter,
Find out what's the matter, find out what they're after.

But tell them that you love them, every single night
And though you scold them,
Be sure to hold them;
Tell them "Everything's all right; tomorrow's looking bright!"

Take a moment to listen today
To what your children are trying to say.
Listen today, whatever you do
And they will come back to listen to you.

"...bring them up in the nurture and admonition of the Lord."
Ephesians 6:4

A MERRY HEART DOETH GOOD

THE SHREDDER

A young engineer who graduated with distinction was leaving the office at 3:45 p.m. when he found the acting CEO standing in front of a shredder with a piece of paper in his hand.

"Listen," said the CEO, "this is a very sensitive and important document, and my secretary is not here. Can you make this thing work?"

"Certainly," said the young engineer. He turned the machine on, inserted the paper, and pressed the start button.

"Excellent, excellent!" said the CEO as his paper disappeared inside the machine, "I just need one copy."

Lesson: Never, ever assume that your boss knows what he's doing.

10 WAYS TO TELL YOU'RE GETTING OLD

1. You and your teeth don't sleep together.
2. You straighten out the wrinkles in your socks and discover you aren't wearing any.
3. At the breakfast table you hear snap, crackle, pop and you're not eating cereal.
4. Your back goes out, but you stay home.
5. When you wake up looking like your driver's license picture.
6. It takes two tries to get up from the couch.
7. When your idea of a night out is sitting on the patio.
8. When your idea of fun is an afternoon nap.
9. When you're on vacation and your energy runs out before your money does.
10. You say something to your kids that your mother said to you and you always hated it.
